The CHILDREN'S Store.

We want every mother in this town to take time next week to come here and look at all the pretty things we have for the children this fall. You will not be urged to buy, but we want you to see what a magnificent assortment of goods for the boys and girls is here—an assortment that we confidently believe is fully as large as that you will find in most cities of a much larger size.

GOOD CLOTHES FOR BOYS

LOOK FOR THIS LABEL

Boys' clothing at this store must have three requisites—it must wear, it must be new in style and the price must be moderate. Our children's clothing department this fall is a joy to every woman who sees the many beautiful garments. There are double breasted two piece suits, Norfolk, Sailor Norfolk, and Blouses in the suits, and Reefers, Russian Blouses, and a variety of other styles in overcoats. The prices are from \$2.00 to \$7.00.

Sweaters.

We are fully equipped to meet the growing demand for sweaters for boys of all ages, from three years up. We only handle those which are all wool. Prices \$1.00 and \$1.50.

Caps.

Tam-O-Shanters and toques are very popular this fall. We have a great variety of both at 25c. and 50c. for the toques and 50c. to \$1.00 for the Tams.

Shoes.

We have one special boys' shoe and one special girl's shoe that we wish to call attention to. We believe that on each of these shoes we can save you at least 25c.

Misses' Kid Shoes

This shoe is made of extra bright kid stock, with dull tops, heavy extension sole, fair stitch. We sell it at \$1.50 for sizes 11 1/2 to 2, and \$1.85 sizes 8 1/2 to 11 and we think it is fully equal to any shoe you will find elsewhere for 25c. a pair more.

Boys' Box Calf Shoes

This is a genuine box calf shoe with good stout soles made to wear. You will be asked \$1.75 at most stores for a similar shoe and it is a leader with us at \$1.50.

EARLY MORNING BLAZE.

Heavy Loss In Property.

At 2:45, on Monday morning, an alarm from box 27 called the fire department to the Farmer's Exchange, a saloon owned by Mr. Francis Guthrie, on St. Clair street.

The fire had evidently been burning for some time, and a second alarm was sent in.

After a hard fight the fire boys got the flames under control, but not before the building in which it originated had been thoroughly gutted.

The building next to it was occupied by Coleman & McKeever as a saloon and it was considerably damaged.

On Broadway street the flames had crossed the rear alleyway and had entered the shoe and clothing house of Rosenstein Bros., where the upper stories were badly injured.

From thence it spread to the Arcade saloon of Mr. Dan L. Kennedy. The two upper floors were damaged to a considerable extent, and the stock in the ground floor was injured by the deluge of water thrown by the firemen.

The fierce fire then proceeded to lick up everything inflammable in the rear of the "White Crook," a saloon of Mr. Press Thompson.

The firemen had been fighting the fire from both front and rear, on both streets, and finally succeeded in stopping their deadly work at this point.

Mr. Charles Snow, who was sleeping in the third floor of the Arcade was not awakened until the heat was so intense that his head and hair were considerably scorched.

The Farmer's Exchange building was the property of the Selbert estate. The Coleman & McKeever house was the property of Mr. Dan Meagher, Sr. The Rosenstein clothing and shoe house was the property of the Jilison estate. The Arcade was the property of Mr. P. H. Newman, Sr., and the White Crook was owned by Mr. Henry Ringold. The total loss by the fire and water, (the latter element doing almost as much damage as the fire), was some \$15,000 or \$20,000.

But for the absence of wind and for the good work of the department a still heavier loss would have occurred.

.. DEATHS ..

CANTY—In this county, on Sunday, Mr. John Canty, aged about 65 years. He leaves a wife, one son, one daughter, two brothers and a sister to mourn his death.

The funeral took place from the Church of the Good Shepherd on Tuesday morning, at 9 o'clock, and the remains were interred in the Catholic cemetery.

LEE—At the King's Daughter's Hospital, on Sunday night, Mrs. Anna Lee, relict of the late Mr. Wm. Lee, aged 88 years, from the effect of a paralytic stroke some months since.

MILLS—In Paris, Tenn., on Sunday, Mrs. Louisa P. Mills, widow of the late Mr. Alex. Mills, aged about 78 years.

Mrs. Mills was a Miss Paterson, and was raised in this county. After her marriage to Mr. Alex. Mills, she removed with him to Louisiana to reside, and remained in that State until the decease of her husband. A few days before she removed to Paris, Tenn., and was living with her son. She was an aunt of Messrs. W. J. and W. H. Lewis, of this county.

She was a modest, retiring and lovely, old-fashioned Christian woman. But a few of our older citizens remember her.

ROGERS—At the home of his parents, in this city, on Tuesday morning, Louis Clark Rogers, infant son of Mr. John G. and Mrs. Florence Clark Rogers, aged 13 months.

This dear, bright little bud was lent to these devoted parents for a few short months to bind them together in dissoluble bonds and to draw them with the tender chords of love to the better land.

The tenderest sympathy is felt for them in their dark sorrow. The funeral services were conducted from the home, on Taylor Avenue, on Wednesday afternoon at 3 o'clock by Rev. M. B. Adams, of the First Baptist Church, after which the remains were placed in the family lot in our cemetery.

EULER—In this city, on Thursday, Augustus Euler, infant son of Mr. Wm. Euler and wife, aged about 2 1/2 years.

Tender sympathy is felt by all for these heartbroken parents in the loss of their little darling.

The funeral and interment took place yesterday morning.

SHRYOCK—In this county, near Hoge's station, on Thursday, Miss Annie Shryock, daughter of Mr. Ed. Shryock, aged 5 years, of acute inflammation of the stomach.

This bright little girl was only sick a few short hours and passed to the great beyond to join her mother (formerly Miss Leona Jett).

This family is sadly afflicted. The stepmother of the little one taken and her grandmother, are both confined to bed.

Diphtheria, sore throat, croup Instant relief, permanent cure, Dr. Thomas' Electric Oil. At any drug store.

FOUND.

GIVEN 21 YEARS.

The jury in the case of George Dean, charged with the murder of Ed. Adams, brought in a verdict, on Tuesday morning, sentencing Dean to the Pen for 21 years.

A REMARKABLE RECORD.

Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by all druggists.

RISE IN DIAMONDS

The fact that Diamonds are good property is known by nearly everyone, but very few understand how really good they are and how fast they are increasing in value.

Their Rise In Value.

The number of Karats found last year was not quite half the output of 1895, and they sold for almost as much. The mines, too, are very much deeper and the cost of mining is increasing. The recent advance in New York of 10 per cent. is an index of what may be expected at short intervals.

Our Stock.

We purchased a large stock before the rise, and while this lasts we can make slightly lower prices than the New York wholesalers, and we advise purchasing now.

A Guarantee of Value.

As an evidence of our belief in the permanency of this advance, we contract to exchange solitary diamonds at full value price paid us for them. We place no limit on this guarantee.

Buying Back For Cash.

Many people who recognize the genuine help diamonds are in promoting confidence and success, hesitated to invest in them for fear of sudden need for money might come.

For such emergencies we have perfected our money-back plan. Any solitary diamond bought here may be returned within a year, and we will refund 90 per cent. of its cost. We honor the contract in cash and on presentation.

POSTOFFICES DISCONTINUED NEXT THURSDAY.

By order of the Postoffice Department, the following small county post offices will be discontinued on Thursday next, October 1st: Glenn, Tioga, Forsee, Highview and Elmore.

MISERABLE WORK.

We do not know who is responsible for it, but the contractor, or whoever is in charge, certainly is doing some miserable work in the rock being spread on the Versailles turnpike on Arlington Heights.

Many of the rock spread there are four or five times as large as they ought to be, and when a buggy or carriage runs over them there is great danger of the breakage of springs, etc.

SUNDAY'S BLAZE.

The alarm of fire on Sunday afternoon, was caused by a pile of refuse broom corn on the lot above the Penitentiary catching fire and burning up. The department kept adjacent property from being damaged.

The Monon Route will, from now until September 30th, sell round trip tickets to St. Paul and Minneapolis at \$28.80 from Louisville. Low rates also to other points in the Northwest. Address E. H. Bacon, D. P. A., Monon Route, Louisville, Ky.

TRAGEDY AVERTED.

"Just in the nick of time our little boy was saved," writes Mrs. W. Watkins, of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough set in besides. Doctors treated him but he grew worse every day. At length we tried Dr. King's New Discovery for Consumption, and our darling was saved. He's now sound, and well." Everybody ought to know, it's the only sure cure for Coughs, Colds and all lung diseases. Guaranteed by all druggists. Price 50c and \$1.00. Trial bottles free.

MORE RIOTS.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. It dispels Nervousness, Rheumatism and Neuralgia and expels Malaria germs. Only 50c, and satisfaction guaranteed by all druggists.

MONDAY'S SHOOTING SCRAPE

Shortly after 10:30 a. m., on Monday, the keen crack of a pistol shot was heard at the corner of Main and St. Clair streets, and people ran to their doors to ascertain the cause.

Upon investigation it was found that Capt. Fred L. Gordon, Co. A., 2d Regiment National Guards, had shot Mr. Charles Snow, low down in the abdomen, on the left side.

Dr. J. S. Demaree, Dr. J. S. Goodrich and Dr. A. S. Fish were summoned and attended to Snow's wound, which was found to be a very dangerous one, as the surgeons were unable to locate the ball. Snow was taken to the King's Daughter's Hospital.

It seems that the men had a difficulty, on Broadway street, some time previous that day, and it was renewed at the time indicated above. There are conflicting stories in regard to the matter, and we refrain from comment until the full facts are brought out on the trial. Gordon was arrested by Esq. Geo. B. Thomson, and taken to jail to await the result of the wounded man's injuries. Later on Lieut. George Woodruff, of Capt. Gordon's company, was arrested and jailed by Officer H. Davis Harrod, charged with having furnished Gordon with the pistol, with which the shooting was done.

Snow is a married man and a painter and paper hanger by trade. His wife is away on a visit to her parents, in Pennsylvania. They had broken up housekeeping until her return, and their furniture was stored in the third story of the Arcade building, and was destroyed by the fire at the time Mr. Snow had such a narrow escape that morning.

LATER—Gordon and Woodruff were released on bail.

BIRTHS.

SHRYOCK—In this county, on Monday, Sept. 21st, to Mr. E. D. Shryock and wife, a daughter.

JAIL DELIVERY.

When Turnkey Merritt Williams unlocked the steel door and went into the corridors of the county jail on Sunday morning, about 5 o'clock, Frank Chenault (colored), assaulted him with a blueing bottle knocking him down. Two other colored prisoners, Squire Hibler and Clayton Day, then secured the keys from Williams, while prostrate, and went out of the door and escaped.

As soon as Mr. Williams could regain his feet, he closed the door and thus prevented a general delivery, which was imminent as the thirty odd other prisoners were about to make a break for liberty.

Mr. Williams at once gave the alarm and searching parties were at once started out on the track of the runaways.

Hibler was a convict, who had been tried at this term of court for murdering another prisoner and sentenced for life. Day had been a convict and was convicted of housebreaking at this term of court and sent up for ten years. Chenault had also been a convict and had escaped. He was tried at this term also and sent up for two years longer.

Hibler had been sent up from Louisville, Day and Chenault from Lexington.

They were all desperate and determined scoundrels.

Jailer Lawrence was absent at the time searching for two prisoners, who had escaped from the county road gang, on Friday night, as they were en route back to jail.

As requested, I hand you sketch of recent outing of myself and family in Kentucky, including trip up Kentucky river and to Cumberland Gap. On the 17th ult., we left Louisville at 3 o'clock p. m. on the steamer "Falls City," for Carrollton, Ky., 62 miles up the Ohio, and from thence up the Kentucky river, to Valley View, 176 miles from the mouth of the river, and the head of navigation—making the round trip from Louisville, nearly 500 miles. There were about 150 persons on the boat, including parties from Louisville, Shelbyville, Taylorsville and other points in Kentucky, Indianapolis, Columbia, Madison, Vevay, New Albany, Paoli, and other points in Indiana, and Paris, Illinois. It was a crowd of ladies and gentlemen—the rowdy element being noticeably absent, and if there was one of the crowd who did not thoroughly enjoy the entire trip, that fact was not made known. On account of the crowd, we were somewhat cramped for room, but we found the officials of the boat throughout so gentlemanly, ever and obliging that these little discomforts were overlooked and forgotten. To Dr. Lawrence, Superintendent of the line, Captain Wolverson, Clerks Edmondson and Doyle, and, especially so to Captain Wolverson, we are under obligations for courtesies shown us.

I had seen and crossed the Kentucky river at various points, from its headwaters in the mountains, to its mouth, but not until this trip did I have any conception of its scenic beauties—flowing as it does through deep gorges, narrow canyons, and picturesque gorges, overlooked by castellated and cavernous rocks, and a rich vegetation of almost tropical luxuriance. The scenic beauties of the route are indescribable and must be seen to be understood and enjoyed. It is claimed that they far exceed those seen upon the "Majestic Hudson." They are certainly sufficient to satisfy the most exacting critic. There are many points of commanding interest along the route—too many to attempt to notice all, so I will content myself with pointing out a few among them, next to the canyon scenery between Frankfort and Valley View, are the locks and dams, eight in number, completed, in the erection of which, for the improvement of the navigation of the river, the U. S. Government expended about two millions of dollars, and is now engaged in building two more, by means of which boats will be enabled to reach Boatsville, 201 miles from the mouth of the river. The raising of the boat while ascending, and lowering it while descending, the river, by means of these locks and dams, was always an interesting event to old and young alike.

Frankfort, the capital of Kentucky, is a quaint old city of some 12,000 inhabitants, surrounded by towering hills that overlook the city and river, and on one of the highest of which is situated the cemetery, in which Daniel Boone and other celebrities are buried.

Here also is seen the monument erected to the memory of Kentucky's soldiers in the Mexican war, which is forth the noblest poem, "The Bivouac of the Dead," by Col. O'Hara, a Kentucky officer. The old State Capitol building is another point of interest. As I stood in the street fronting it, I was carried back in memory to a time forty-seven years ago (1856), when, as a boy of twelve, in company with my valued friend, Mr. Moses F. Ham, now a resident of Paoli, sat astride of a horse in almost the same spot I then stood and viewed the same old building—unchanged, except as the wear and tear of time has added to its venerable appearance. The Capital Hotel, the scene of the sanguinary battle in which Col. Dave Colson figured and in which three Vol. lost their lives, is another point of interest. But the most gruesome of all is the spot in the State House yard, where Senator Gooch was so foully murdered—the window, in the Secretary of State's office, from which the cowardly thief was fired at, and the hole in the wall, and the tree in which the ball lodged, after

Save Me From Doctor's Orders. Habit Worse Than the Disease. Dr. Miles' Nerve Cure Me.

When the nervous system has been shattered by the use of deadly drugs there is nothing to equal Dr. Miles' Nerve Restorative. I have, during three years, suffered from nervous prostration. I found no relief except when I used morphine. To get rid of suffering I took morphine until it was the only thing that would give me any relief. I could resist it, but it was a terrible habit and I knew of its deadly grasp, but I never fully realized its significance until I had used a number of months. Oh, the misery of being addicted to such a habit! I loved them, but there I stood, and resolved I would never be a slave to any such demon. About this time I happened to notice Dr. Miles' Restorative Nerve Cure, and ordered a bottle. After using five bottles I can truthfully say I am cured of my habit, and I feel better than I have for years. I feel my duty to give for the benefit of the suffering.—MATTIE PHILLIPS, Prescott, Ark. doing its deadly work, all being pointed out to us. During our stop at Frankfort, I called upon Gen. Dan Lindsey, who will be remembered by quite a number of your readers, as the courteous and polished gentleman and gallant soldier, who, during the war of the rebellion, Frankfort is rich in historic memories. Her people are typical Kentuckians, and their expression covers all that is best in man's makeup. Like Senator Joe Blackburn, they believe that the sky is bluer and the air purer, and the life sweeter, wherever else on God's footstool.

Another point of great interest on the route is Hickman Landing (old Camp Nelson). The very mention of which will stir the blood of many of your soldier readers, whose memories will carry them back to the dark days of the early part of the rebellion, when they were encamped there to protect central Kentucky from being overrun by Confederate armies, and to prepare themselves for the darker and bloodier days that followed later in the war. A beautifully kept National Cemetery, Boone's Fort, the river with its canyons and gorges, in the birds-eye view, which, by erosion of the waters, assumes all manner of forms, makes this point one of great interest. The hills are covered with rich veins of copper, zinc and lead ore, and extensive beds of spar have been discovered, and are being developed by a company headed by the redoubtable Jack Chinn, of Mercer county. Other points of interest along the river are "Mouth of the Elk Horn," made famous by Mary Jane Holmes in "Tempest and Sunshine," "High Bridge," at the crossing of the Cincinnati Southern, the lofty pier bridge ever built, being 375 feet above low water, of which we had a splendid view by the light at night, going up and by daylight returning. "Tyrope Bridge," at the crossing of the Louisville Southern, is second only to High Bridge in its lofty perch, and like it, is a wonderful example of engineering skill. The den of Rube Burrows, the desperado, a murderer, thief and liar, and all else that was vile in human nature—a cavern high above the river, in the rocky canyon wall, looking to be the lair of all evil, but the birds of the air, is also

pointed out as a reminder of Kentucky's dark and bloody past. The sight of which is drawing out warns me to slow down. I would advise all who have the opportunity to take this trip, which requires about three and a half days to make, and costs but \$8, which sum covers cost of state room and meals.

Upon returning to Louisville from our Kentucky river trip, myself and daughters boarded the mountain train of the L. & N. for a trip to historic Cumberland Gap, at the junction of the three States, Kentucky, Tennessee and Virginia, where we arrived in time for supper at the famous Middleborough Hotel Friday evening. The bad condition of the road up the mountain made it impossible for us to reach the "Pinnacle," which stands three thousand feet above the valley below, but we procured a mountain wagon and team, driven by Uncle Jim, an old time darkey, who was there with the 48th Ind. during the early part of the war, and remembered Col. Jim Kegman (Kegwin) and many of the boys of the regiment. Uncle Jim drove us up into the "Gap," which cuts through the range of mountains, and is half a mile across from crest to crest of the mountain, and gives passage to a highway. From the "Gap," we drove down the Virginia road, which runs along the side of the mountain, past the entrance to King Solomon's Cave, a great natural curiosity, from which flows a strong stream of pure, ice cold water that is carried in pipes down the mountain side to the town of Cumberland Gap, Tennessee, hundreds of feet below the valley. After a considerable drive up into Virginia, we crossed into Tennessee and took dinner at the town of Cumberland Gap with an old comrade of the 4th Tenn. Infantry, proprietor of the Miller Hotel, after which we drove to "Harrogate Inn," a relic of the boom days in the mountains, and from thence to the towns of Shawnee and Arthur.

My last stop was at the old Control farm, and near "Camp Cottrell," of which many of your readers will have a vivid recollection. From Arthur we drove to "Lincoln Memorial University," of which Gen. O. O. Howard, of Burlington, Vermont, is at the head of the Board of Directors as well as of the advisory board. Prof. John Hale Larry, of Portland, Maine, is President of the university, and to him and his estimable wife we are indebted for a cordial greeting and entertainment at Grand-Lee Hall. The purpose of the university is given as: First, to teach the moun-

tain youth the best methods of farming and the mechanical arts; also to provide them with normal and academic training, and, when needed, the higher branches. Second, to build a worthy memorial to Abraham Lincoln among the people of his nativity. The charter reads: "Said University shall ever seek to make education possible to the children of the humble, common people of America, among whom Abraham Lincoln was born." The University has 58 acres of good farm land, seven buildings, machinery for industries, etc., all valued at \$150,000. A girl's dormitory is nearing completion. After a pleasant visit, we reluctantly bade the Doctor and Mrs. Larry good-bye, with the hope, however, of again having the pleasure of meeting them in the near future. They are engaged in a noble work. May success crown their efforts and may their fondest anticipations be realized. After a drive back across the mountains we reached "The Middleborough" in time for supper, and until our departure for home, we rested and enjoyed the view of the mountains, with its historic "Gap," from the broad verandas of the hotel.

THE GENUINE VS. COUNTERFEITS.

The genuine is always better than a counterfeit, but the truth of this statement is never more forcibly realized or more thoroughly appreciated than when you compare the genuine DeWitt's Witch Hazel Salve with the many counterfeits and worthless substitutes that are on the market. W. S. Ledbetter, of Shreveport, La., says: "After using numerous other remedies without benefit, one box of DeWitt's Witch Hazel Salve cured me. For blind, bleeding, itching and protruding piles no remedy is equal to DeWitt's Witch Hazel Salve. Sold by J. W. Gayle."

Mr. D. P. Daugherty, well known throughout Mercer and Sumner counties, W. Va., most likely owes his life to the kindness of a neighbor. HARVIELAND.

[Delayed Letter.]

After a long absence, I have returned from the windy West, and to find old Harvieland herself once more, but it looks as though her waterworks had dried up, but I find the merchants, blacksmiths and other business men all still prospering.

Well, tobacco cutting is in full blast here, with some of the lucky ones done cutting.

I see our old friends, Uncle Tommy and M. H. L., still enjoying the richest blessings of life.

I am sorry to find our old friend, Mr. Dudley Goin, on the sick list, and his flower garden, that looked so green and nice in the spring, looks as though it had not rained on it for ages.

"I see the boys still have all the fun they are looking for laughing at those that get baptized in the pool at the bridge. Some of the latest being Judge Jas. A. Scott, Judge E. C. O'Neal, Judge B. G. Williams and Mr. Ed. W. Penn, who were out dove hunting last week. They drove their horse in the pool to give him water, and capsize their buggy, throwing men, guns, ammunition and hats all over the pool. To see them splashing the water one would have thought they were looking for the Ark.

There seems to be some dreadful disease prevalent among the horses from the way they are dying. Many complain of losing their favorite horses. Mr. O. C. Clark and Mr. F. M. Smith are the last to complain.

Mr. B. P. Marshall sold eight head of yearling mules to Mr. A. H. Bayley, of Bagdad, Ky., last week. Price confidential.

Dr. L. T. Minish and wife have gone to Gratz for a short visit.

Miss Lizzie Hain is getting along nicely with her school.

Miss Pearl Chism is clerking for her father. She makes a nice, bustling little clerk.

Mr. Charley Marshall and wife and Miss Nora Spoon, of Honey-suckle, took in the sights in Cincinnati Sunday last.

It is rank foolishness to attempt to remove sallowness or greasiness of the skin by the use of cosmetics or "local" treatment, as advocated by the "beauty doctors." The only safe and sure way that a woman can improve her complexion is by purifying and enriching the blood, which can only be accomplished by keeping the liver healthy and active. The liver is the seat of disease and blood pollution. Green's August Flower acts directly on the liver, cleanses and enriches the blood, purifies the complexion. It also cures constipation, biliousness, nervousness, and induces refreshing sleep. EDITORIAL NOTE.

That is, a Note About a Frankfort Editor, who is Well-Known.

Interesting. But hitherto unrecorded. Is the experience. Herein set forth. Contains a valuable tip. For all Frankfort. J. B. Lewis, editor of the Frankfort Roundabout, says: "For a year or more I suffered a great deal from a dull aching pain across my back. At times the aching was constant for a day or two. If I sat still but for a short time it became almost unbearable and if I stooped or lifted anything I felt sharp twinges in the small of my back. The secretions from the kidneys were most irregular as well as highly colored and the odor very offensive. I had my attention called to Doan's Kidney Pills through our papers and I went to J. W. Gayle's drug store and got a box. After using them a few days I commenced to see an improvement. I kept on with the treatment and the pains on my back entirely left me and the kidney secretions became normal. From the great amount of good I derived from the use of this medicine I have every reason to be convinced of its merit, and have not the slightest hesitancy in giving it my hearty endorsement."

THE PROPER TREATMENT FOR A SPRAINED ANKLE.

As a rule a man will feel well satisfied if he can hobble around on crutches two or three weeks after spraining his ankle, and it is usually two or three months before a has fully recovered. This is an unnecessary loss of time for in many cases in which Chamberlain's Pain Balm has been promptly and freely applied, a complete cure has been effected in less than one week's time, and in some cases within three days. "Dare-Devil Dorothy."

A WORTHY CAUSE.

Some time since the King's Daughters of this city resolved to purchase a lot and build a more convenient and modern structure for hospital purposes. They accordingly went to work and succeeded in purchasing a very desirable lot on East Main street, removed from the noise, heat and vexations of the city. With the help of a few friends they paid cash for their lot and have a small amount still left in their treasury.

Every one knows the vast amount of good which has been accomplished by this noble charity. It is deserving of the assistance of every citizen of this city, as well as everybody in the county.

These good women are engaged in a systematic solicitation for funds. We hope that everybody will contribute. Even if you can not give much, give what you can. Every little helps and becomes a great deal in the end.

GERMAN SYRUP.

We want to impress on our readers that Boschee's German Syrup is positively the only preparation on the market to-day that does relieve and cure consumption. It contains the specific, such as pure tar, extracts of gums, etc., which have been so highly endorsed for the cure of coughs, colds and consumption by the great medical men. It cures the consumptive, whether his disease is in the throat or lungs, must have rest at night, and be free from the spasm of dry and racking cough in the morning. The diseased parts want rest, healing and soothing treatment, and the patient needs fresh air, good food, etc. German Syrup will give free and easy expectoration in the morning with speedy and permanent relief. Small bottles, 25 cents; regular size, containing nearly four times as much, 75 cents. At all druggists.

RAISED FROM THE DEAD.

"C. W. Landis, 'Porter' for the Oriental Hotel, Chouteau, Kan., says: 'I know what it was to suffer with neuralgia, dead I did, and I got a bottle of Boschee's German Syrup and I was raised from the dead.' I tried to get some more but before I had 'deposited' my bottle, I was cured entirely. I am selling the bottle too, 25c, 50c and \$1.00 at Paul B. Weitzel's."

DARE DEVIL DOROTHY—TUESDAY NIGHT.

Nowadays something new in the dramatic or entertainment line is rare but a real stage surprise is promised by Manager McNamara at the Capital Theatre Tuesday evening, in the production of a dramatic musical comedy entitled "Dare-Devil Dorothy." This will be the first season of this play in this country, although it has been a tremendous success in England for the past three years, where it is said it is being toured by four separate companies.

The rights for the United States and Canada have been secured by Mr. Fred G. Berger—late manager of Sol Smith Russell—and Mr. T. H. O'Neill, who have also arranged for an early production of this play in New York City. "Dare-Devil Dorothy" is a play with a strong melodramatic story and is in four acts. The first act is located and takes place at the Courtlands, London; the second, which is largely composed of musical comedy with the original music and songs by Sparrow Harris, is located at the Bush Farms, Australia; the third act takes place at Scheene House, on the Thames, England, in which it is said some powerful dramatic acting takes place and is also noted for magnificent costuming of the ladies in the cast. The fourth act is almost entirely composed of a very novel circus scene which is a part of the plot and in which a series of new and splendid specialty people will appear in some of the latest vaudeville acts. "Dare-Devil Dorothy" was written by Wilfred Carr and the costumes were designed and manufactured by Eaves of New York City. The announcement of this attraction and its appearance here has already caused considerable interest and the indications are that the theatre will be crowded with a splendid audience next Tuesday evening, Sept. 23.

Seats now on sale at Barrett's; 25c, 50c, 75c and \$1.00.

A PURGATIVE PLEASURE.

If you ever took DeWitt's Little Early Risers for biliousness or constipation you know what a purgative pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not grip, sicken or weaken, but give tone and strength to the tissues and organs involved. W. H. Howell, of Houston, Tex., says: "No better pill can be used than Little Early Risers for constipation, sick headache, etc." Sold by J. W. Gayle.

WOULD YOU OUGHT TO CONTRIBUTE.

Mr. R. E. Hughes, of the Kentucky Exhibit Association, will be in the city on Thursday and Friday of next week, October 1st and 2d, and will visit our business men to urge upon them the necessity of liberal subscriptions to the fund to be raised for that Association. We hope our business men will greet him cordially.

21 YEARS A DYSPEPIC.

R. H. Foster, 318 S. 2d St., Salt Lake City, writes: "I have been bothered with dyspepsia or indigestion for 21 years; tried many doctors without relief; recently I got a bottle of Herbine. One bottle cured me. I am now tapering off on the second. I have recommended it to my friends. It is curing them too." 50c, at Paul B. Weitzel's.

SUDDEN DEATH.

Our city was startled, about 8 o'clock Tuesday afternoon, when it was learned that Mr. Mack Salyers had died suddenly at his home shortly before.

Mr. Salyers recently embarked in business again, being a member of the firm of M. L. Lawrence & Co. dealers in fresh and cured meats.

At one time he had been largely engaged in that and other business but, for a number of years, had been out of regular employment.

He was a clever gentleman. He leaves a wife and several children to mourn his death.

The funeral services were conducted by Rev. George Darsie, of the Christian Church, on Thursday, afternoon, after which the remains were buried in our cemetery.

Mr. Eugene Carlton and wife have sold their cottage home, on Steele street, to Mrs. Agnes Moore, consideration \$750 cash.

Ford & Sturgeon, a prominent drug firm at Jackson Hill Station, Ky., writes: "We were requested by Dr. G. B. Snigley to send for Herbine for the benefit of our customers. We ordered three dozen in December, and we are glad to say, Herbine has given such great satisfaction that we have duplicated this order three times, and to-day we gave our salesman another order. We beg to say Dr. G. B. Snigley takes pleasure in recommending Herbine. See a bottle at Paul B. Weitzel's."

EXAMINATION F R E E.

ANCIENT TORTURE

How it has been Revived in Modern Times.

An ancient method of poisoning criminals was to force them to swallow large quantities of bull's blood. Bull's blood is really no poison at all. Yet the prisoner usually died in agony. This was caused by the coagulation or hardening of the bull's blood in the stomach. The pressure of this solid mass on the heart, lungs and other vital organs almost always resulted fatally. This is just like indigestion. If your food doesn't digest it remains in a hard lump in the stomach. Gases are formed, which crowd and sometimes actually displace other organs. Many cases of supposed heart disease are due to indigestion. The pressure upon the lungs interferes with breathing. A disordered stomach affects the whole body.

By the use of such a preparation as Kodol Dyspepsia Cure all this trouble is removed. Before food can be assimilated into the system it must be reduced to proper condition by the digestive fluids. If any of these fluids are lacking, perfect digestion is impossible. Kodol Dyspepsia Cure supplies the missing fluids. Stomach troubles can't be cured by dieting. The system demands both a sufficient and a variety of food. You can't get well or stay well without it. Kodol Dyspepsia Cure enables the stomach to take care of any kind of good food. It renders dieting unnecessary. It digests what you eat. In this way it rests the stomach. This rest soon restores the stomach to perfect health. Kodol Dyspepsia Cure helps the children too. Weak and sickly little ones become strong and healthy. "During the last few years my stomach was in such condition that I couldn't retain the food I ate," writes Henry Williams, of Houston, Mo. "Two months ago I commenced taking Kodol Dyspepsia Cure. A few bottles have cured me entirely. I can now eat and enjoy anything I want."

Kodol Dyspepsia Cure Cures all Stomach Troubles.

Prepared only by E. C. DeWitt & Co., Chicago. The \$1 bottle contains 24 times the 50c size.

Dyspepsia Cure

You might as well put fuel under a boiler without burning it and expect the engine to run as to eat food and not digest it and expect to keep up nourishment for your body. You must have nourishment to live and when you cannot digest your food, KODOL DYSPEPSIA CURE will do it for you, with no aid whatever from the stomach. It contains exactly the same elements as Nature's digestive fluids and can't help but produce the same results.—David Taylor, Blind Ridge, Pa., writes:—"I have been afflicted for a number of years with dyspepsia and have tried various remedies without good results but was cured by one bottle of Kodol Dyspepsia Cure. What WALTHER'S PEPTONIZED PORT is and does

It is simply a good, honest, common-sense food tonic—a combination of rich Port Wine and Pure Pepsin,—nothing else. It is not a cure-all, or a medicine for acute or chronic diseases.

It does not take the place of the doctor. It does strengthen weak digestive organs, tones and builds up the impaired, impoverished nerves, muscles and blood, and promotes a perfect condition of vigorous health. It is a valuable remedy for dyspepsia, indigestion, and stomach troubles generally—for weakened vitality and impaired strength. It is a preparation of great worth for nursing mothers, tired women, old folks, invalids and convalescents. It is highly recommended by physicians and prescribed by them—both its constituents being of long demonstrated worth.

AN ENGLISH NOVELTY.

"Dare-Devil Dorothy," the latest English novelty success, has been booked by Manager McNamara for next Tuesday, Sept. 29, for one performance. This production which for the past four years has been delighting vast English audiences, attributes its pronounced success to its absolute novelty ideas. Embracing all three phases of dramatic art in one, melodrama, comic and grand opera, and being so well constructed, it took an immediate hold upon the European theatre-going public, and as the London Telegraph expressed it, "the entire production was an agreeable change from the stereotyped performances seen for the past ten years at our local play houses." The company organized for the American production is a strong one, both from a dramatic and musical standpoint, and is the same which for the past two months has been receiving unusual commendation from the Eastern press. The title role is portrayed by Miss Grace Gibbons, the Boston girl who for the past few years has been among the forces of Charles Frohman, Jacob Litt and Augustin Daly, a young actress of charming personality and great beauty. Mr. Will Conley needs little introduction to our audiences, his work being well known to us all and his long connection with Charles Frohman as principal comedian stamps him as an artist of excellent quality.

The other principal members of the company are: Madeline Winthrop, Mary Lockwood, J. E. Squitell and Mr. Alfred Britton, the celebrated New York high baritone singer. The remainder of the company has been selected with a particular emphasis for the parts they fill, and as this production is the same in every particular as it will be when it goes to New York for its run, it should test the capacity of the Capital Theatre next Tuesday evening.

MORPHINE.

Can Morphine and Other Drug Habits Be Cured?

It has been long contended by physicians that there is no cure for the drug habit. This is true so far as the rank and file of the medical profession are concerned. The reason therefore, is that they are ignorant of the full scope and nature of the disease; but fortunately for the cause of suffering humanity we have demonstrated that the morphine or other drug habits can be cured and guarantee an absolute, permanent and painless cure to those addicted to the use of drugs if they will take our treatment and follow our instructions.

Each case submitted to us receives individual attention and treatment from an experienced nerve specialist. We do not detain you from business. We give immediate relief. Appetite for drugs is destroyed and appetite for food is restored.
